

# TURNING POINTE

school of dance

Summertime Fun ☀️

EDITION • JUNE/JULY 2017

## We're Moving!

We are so excited to announce that we are purchasing the School Crossing building at 5540 Library Lane and closing July 3rd. Construction/renovations will be taking place this summer and we will be opening our doors at our forever home on September 5th for the start of our school year session! Check our Facebook page and website for updates over the summer. We're so excited to celebrate with our Turning Pointe family and are so grateful for this God-sized miracle! ☀️

## Reward Tickets & Candy

For ages 5-10, tickets are given out at the end of each class for good behavior, being properly dressed, and following our 5 dance positions. Once your dancer has saved 10 tickets, they can turn them in to their teacher at the end of class for a sweet treat. They can also save 100 tickets for a bigger prize...tickets from last year can be used. It is each dancer's responsibility to keep track of their tickets. Younger students (ages 2-5) will receive stickers or candy for a great job each class (no tickets).

## Observation During Class

We do have viewing windows and the curtains to the viewing windows are open or closed at the teacher's discretion. In our years of experience (with younger students in particular), we can really maximize our time and keep their focus when distractions are limited. If there is a situation where a grandparent is visiting from out of town or a family member specifically came to see your dancer, just let the teacher know and we will make sure they get to see some of the class from the viewing windows. We do want you to see what they are learning and usually open the curtains for a portion of the class time. We have dedicated Peek Week the last week of mini mester during the last 15 minutes of your dancer's class time.

## Medical/Behavioral Concerns

If your child has a medical concern or learning/behavioral issues, please notify the teacher or Ms. Tina as soon as possible or when classes begin. Because we are in a classroom setting, this information helps us be aware, make accommodations as needed, and also helps us make it a positive and uplifting experience! We love partnering with you and the more information we have, the better teachers we can be! ☀️

## ONLINE SCHOOL YEAR REGISTRATION

Begins July 1st for returning students and July 15th for new students. We often have wait lists for classes, so make sure you register early!

## ♥ New ♥ Turning Pointe Parent Meeting

Starting the year off right!
